

# Basketball: Backboards

**Full size 1800 x 1050mm** BB840, BB844, BB900

**Three-quarter size fan-shaped 1400 x 1050mm** BB845

BB840

### Full size plywood

Official size: 1800 x 1050 x 17mm. Backboard is made from highly durable exterior grade formply and is plastic-coated with four coats of all weather industrial satin-finish oil-based paint. Borders and ring lines are marked to official measurements. These backboards are extremely strong and should give years of use with minimal maintenance. Supplied undrilled unless ordered with a Grand Slam basketball system.

BB843

### Full size fibreglass (Old style)

Size: 1800 x 1200mm. Super heavy duty, fully reinforced with marine plywood and steel bracing glassed into the back of the board for extra rigidity. Will outlast timber backboards. Ideal for schools and clubs.

BB844

### Full size fibreglass (New style)

As per BB843, but 1800 x 1050mm.

BB900

### Full size HMR pineboard backboard, ring and net

**Suitable for indoor use only!**

Size: 1800 x 1050 x 18mm.

Backboard is white HMR pineboard with 50mm wide black international markings. Complete with heavy duty BB829, 20mm double-strutted ring, net hooks, four bolt fixings and a Grand Slam model BTB 065W net.

BB847

### Full size SMC (New style)

Size: 1800 x 1050mm. Heavy duty durable backboard. Borders and ring lines are marked to official measurements. These boards have specific mounting points, Star brace frame required.

BB846

### Full size plywood (Old style)

As per BB840, but 1800 x 1200mm.

BB845

### Three-quarter size fibreglass

Size: 1400 x 1050mm. Three-quarter size fan-shaped super heavy duty fibreglass backboard. Reinforced with marine plywood and steel bracing glassed into the back of the board for extra rigidity. Will outlast timber backboards. Suits model BB610 and BB610R systems.

# Basketball: Rings and nets

BB825

All Grand Slam basketball rings are powder-coated in durable polyester for a superior, long-lasting finish.

Rings can be supplied with mounting bolts and nuts if requested. The ring nets shown are for illustration only — nets may be ordered separately.

BBLT

BB825

### Removable ring bracket

Used where vandalism is a problem. Galvanised bracket bolts onto backboard so ring can be easily removed.

BBLT

### Lifting tool

Basketball ring lifting tool used with BB825 to lift ring from bracket.

BB812

BB812
