

Our Lady of the Rosary

HARD COURT RESURFACING

PREMIER
SPORTS & LEISURE
#1 In Sports Surfacing

CLIENT: Our Lady of the Rosary

COMPLETED: September 2021

SURFACE: Acrylic Hard Court

The team here at Premier Sports and Leisure loved working on this site, as it holds special memories for some of our employees, as their children have grown up and graduated from Our Lady of the Rosary, Kenmore.

OLR now has this amazing, customised court, that can be used for multiple game play, such as netball for PE lessons, handball for the lunch time tournaments, and hopscotch with friends in the afternoon.

This court needed a little TLC and was repaired with a fiberglass scrim which helps to prevent fine line cracks, from showing through the new surface. Premier Sports and Leisure then applied a 2 coat Acrylic Hard-Court system, with colours from both standard and vibrant colour range, as per the supplied design from our client.

We are happy to say that the staff and students love the new court and make the most of it every day!
