**CLIENT:** St Aidens Anglican Girls School

**COMPLETED:** May 2020

**SURFACE:** Acrylic Hard Court

Premier Sports and Leisure had the opportunity last year to refurbish 4 tennis courts for the St Aidan's Anglican Girls School.

These courts needed a little refurbishment to bring them back to their former glory. Premier cleaned off the courts, complete the repairs and resurfaced the courts with our Premier Acrylic Sports Surface in a two toned blue to match the Australian Open colours.

Our team loves coming back to this site as we worked with this school for many years now and have built a strong and kind relationship.
